CERTIFICATE OF CONFORMITY

We declare herewith that all products supplied by our company are authorized to be sold in Germany and in other European markets.

Products, which are according to the DIN (German Industrial Standard) are produced according to these standards and periodically controlled.

Toxicology:

No health damage is to be expected from our products, if they are used properly and hygienic measures are observed.

Ecology:

If used and disposed of properly, no damage to environment is to be expected.
